Edit question

Your brokerage firm prepares an immediate transportation entry (I.T.) with the port of delivery as New York. After receiving authorization from U.S. Customs for the New York movement, and while the merchandise was in transit, the importer tells you that he sold the merchandise to a Customer in Miami. To facilitate delivery to Miami which of the following is the correct course of action?

Select one:

- a. Cancel the in bond document
- b. Return the merchandise to the port of arrival and file a new immediate transportation entry
- c. Tell the importer that he needs to wait until the merchandise is delivered in New York and then find a new alternative
- d. Tell the importer that diversion of an in bond shipment is never authorized by Customs
- e. Request brokerage firm to submit a request to divert shipment to CBP
